SARA VARAGNOLO

ABOUT ME

Hi, I'm **Sara**, a freelance illustrator based in Canton Ticino, Switzerland.

I'm a self-taught artist who entered the world of illustration driven by passion.

I've always loved pencil drawing, and over the years I've deepened my skills in watercolor techniques.

Since 2021, I've been running an online shop for custom watercolor portraits called Desciolinipatatini.

In 2023, I began painting live portraits of guests at weddings and events.

That's how
Ritratti Live Patatini was born.

I offer a live watercolor painting service for weddings and events in Ticino and throughout Italy, creating unique portraits for the couple and their guests.. a special keepsake to take home.
